Dear Commissioner:

Supplemental to the Information Disclosure Statement filed on July 21, 2006, Applicant wishes to bring to the attention of the Patent Examiner the references listed on the enclosed Form PTO-1449 and attached thereto. These references were cited during the prosecution of co-pending U.S. Patent Application Serial No. 10/583,572.

CA 2,050,248 claims priority on the same application as EP 0 473 870. GB 2 110 105 claims priority on the same application as DE 32 40 089, which was previously cited in Applicant's July 21, 2006 Information Disclosure Statement and has already been made of record by the Examiner.

Copies of the U.S. Patent documents are not enclosed pursuant to current Patent and Trademark Office guidelines.

Because this Supplemental Information Disclosure Statement is being filed subsequent to an Office Action, a check in the amount of \$180.00 is enclosed in payment of the fee for filing this Supplemental Information Disclosure Statement. Please charge any additional fees or credit any overpayment to our Deposit Account No. 03-2468.

It is respectfully requested that the foregoing Supplemental Information Disclosure Statement be incorporated into the official file of the present patent application.

Respectfully submitted,
Johannes KOWOLL
